LING 380-20
SPOKEN ENGLISH FOR NONNATIVE SPEAKERS
ACADEMIC PRESENTATIONS

- Develop the communication skills necessary for academic presentations at the graduate level.
- Improve your delivery of oral presentations to large groups using PowerPoint and other visual aids.
- Effectively communicate academic concepts to smaller groups and individuals.
- Improve sociolinguistic and strategic competence.
- Practice American English pronunciation, stress, and intonation patterns.
- Observe, create, and practice multiple academic presentations.
- Helpful preparation for teaching, class presentations, lab meeting reports, job interviews, and presenting at conferences and colloquia
