Learn how to write persuasively with clarity. We will begin with structuring arguments and develop them into a paper, and eventually transform the paper into a grant-style proposal. By actively going through each step of the process, you will feel more at ease when you must undertake these tasks yourself for paper or grant submissions. A non-credit course offered to international students and scholars of The Graduate School.

INSTRUCTOR FOR SPRING QUARTER: MOMOKO TAKAHASHI

MONDAYS: 5:00 PM TO 6:20 PM
